Germany

I'm from a country in Europe. It's one of the largest countries in the European Union, and the population is over 80 million people. The capital is Berlin. The country is famous for its cars, sausages, and bread. Football is the most popular sport here. We have cold winters and warm summers, and people enjoy celebrating Oktoberfest.

Canada

I'm from a country in North America. It's the second-largest country in the world by area, but its population is about 38 million people. The capital is Ottawa, and the largest city is Toronto. The winters here are very cold, especially in the north, but summers can be warm. My country is famous for its natural beauty, ice hockey, and maple syrup.

China

I'm from a very big country in Asia. It has the largest population in the world, over 1.4 billion people. The capital city is Beijing, and the country is famous for its rich history, the Great Wall, and its delicious food like dumplings and noodles. China has many different climates, from cold winters in the north to tropical weather in the south.

Egypt

I'm from a country in Africa. The capital is Cairo, and the population is about 100 million people. Egypt is famous for its ancient history, including the Pyramids and the Sphinx. The Nile River flows through my country, and it's very important for our agriculture. The weather is hot and dry, especially in the desert areas.
